

Saturday, Aug. 30, 2014 – Friday, September 5, 2014

Note: Information in this update is intended to highlight the week's major grizzly bear management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information is published in the annual report of the Interagency Grizzly Bear Study Team available at: <http://www.nrmssc.usgs.gov/products/IGBST>

Verified Grizzly Bear Killed Livestock

- Verified one (1) grizzly bear killed calf on a private ranch west of Thermopolis.
- Verified two (2) calves and one (1) yearling killed or injured by grizzly bear on Forest Service grazing allotments in the Pinedale Region.

Research and Monitoring

- Retrieved collars naturally shed or dropped (due to release mechanisms) on grizzly bears throughout the GYE.

Bear Management (Captures, Relocations, and Removals)

- Nothing to report.

Law Enforcement and Related Activities

- Nothing to report.

Outreach and Education

- Spoke with multiple sportsmen and outfitters in related to Bearwise camps and bear awareness. Sportsmen continue to take an active role in reducing bear conflicts.
